Do you not want to see me again
cause the things me and my friends did
like the time we stole your car
it sucks you had to change
i don't know who you are
and i will help you
yeah you'll get to see
a different side now
he went to junior high with me
is what you'll say

this is all you'll get from me
it's all you'll get from me

cause i want to find a new direction
i want a place to call vacation
where i can do whatever the hell i want
yeah

we're taking off now
now we're out in flight
illimitable life
so stay awake tonight
cause in the morning
we'll just be memories
a faded photograph for you to fall asleep to

this is all you'll get from me
it's all

cause i want to find a new direction
i want a place to call vacation
where i can do whatever the hell i want
yeah
and i want a california sunset
i want to wake up in the morning
and do whatever the hell i want
yeah
cause i

cause i want to find a new direction
i want a place to call vacation

where i can do whatever the hell i want
yeah
and i want a california sunset
i want to wake up in the morning, yeah
