You left sunburns on my face
your love was bright
bright that day
How could this be
the place we're in
the waters in
we swim and swim
we swim and swim
And if I don't see
the way I should
Turn me around
And I promise I'll be good
Hello to you, these friends of mine
Here by this rock
we spend our time
You've learned so much
to jet again
Well all you need babe, is a friend
You are a friend
And if I don't say
the things I should

Turn them around
And I promise they'll be good
Take from this place
all you could need
like a sparrow flies
with it's wings
To other states
or country of mine
How could this feel
feel so fine
it feels so fine
And if I don't see
the way I should
Turn me around
And I promise I'll be good
And if I don't say
the things I should
Turn them around
And I promise they'll be good
Have I said this too much?
How you heard enough?
Well I'd like to stay here
In my mind, out in nowhere
Sleeping by the river
