VERSE:

I used to hang out, every night
With my friends in the same old bar
So many times I looked for attention
But everything changed when you walked in the room

I don't wanna rush and take it nice and slow
But im wanting you, baby

CHORUS:

Wont you stay the night
Oh, oh, can you hold me tight
Oh yeah, I've been spinning baby cause' I can't get
enough
Get enough, get enough, get enough

Stay the night
Oh, oh, can you hold me tight
Oh yeah, I've been spinning baby cause' I can't get
enough
Get enough, get enough, get enough

VERSE:

Let the people just keep on talking
We wont let them put us down
You and me, we've got this connection
And ain't nobody gonna be creeping around

I don't wanna rush and take it nice and slow
But I'm wanting you baby

CHORUS:

Wont you stay the night
Oh, oh, can you hold me tight
Oh yeah, I've been spinning baby cause' I can't get
enough
Get enough, get enough, get enough

Stay the night
Oh, oh, can you hold me tight
Oh yeah, I've been spinning baby cause' I can't get
enough

Get enough, get enough, get enough

BRIDGE:

Na na na na na na na na na na

Na na na na na na na na na na

Na na na na na na na

I don't wanna rush and take it nice and slow

But im wanting you baby

CHORUS:

Wont you stay the night

Oh, oh can you hold me tight

Oh yeah, I've been spinning baby cause' I can't get
enough

Get enough, get enough, get enough

Stay the night

Oh, oh, Can you hold me tight

Oh yeah, I've been spinning baby cause' I can't get
