Give me one reason
Not to stand alone.
Another reason to call this home.
I stand alone.

Stuck in the darkness
Of everyday.
You gotta keep me
From sailing away.

Sailing away
To shores unknown.
I need a reason
To drop this anchor down.

If you're not the one
Then I'll keep going
With promise showing.
I'll keep my searchlight on
To find my paradise.

Where I know I'm wanted
And I won't think twice.

So tell me now
Is it safe to stay?
If not somehow
I'll be on my way
(X2)

Just remember the times
When we promised our futures away.
To stay with each other
But just wait
Till the day that you figure out
That I've waited for a paradise.
Where we hold on
To each other with
No sacrifice! (x2)

If you're not the one

Then I'll keep going
With promise showing.
I'll keep my searchlight on
To find my paradise!

I thought you wanted
A planned future.
But I guess I'm wasting
My time on this.
Wasting my time on this.
