Vision of darkness
Right before my eyes
Angel among us
Evil in disguise

Oh, I look beyond the rain
And I hope I am not broken
Oh, we live our lives by rules unspoken

I want you here
So go away
Let's make it clear
I will not pay for love
Won't pay for love

You are the starshine
Do you realize
Are you the girlfriend
Of boys who tell you lies

Oh, I look beyond the rain
And I see I am not broken
Oh, we live our lives by rules unspoken

I want you here
So go away
Let's make it clear
I will not pay for love
Won't pay for love

I have seen the devil
In my eyes before
But now I've kicked him out
And I'm showing you the door

I want you here
So go away
Let's make it clear
I will not pay for love
Won't pay for love

I want you here
So go away
Let's make it clear
I will not pay for love
Won't pay for love
