Ooooo

Yeah

I didn't wanna listen to what you were sayin'

I thought that I knew all I need to know

I didn't realize that somewhere inside me

I knew you were right but I couldn't say so

I can take care of myself, yeah, you taught me well

I learned from you that I do not crumble

I learned that strength is something you choose

All of the reasons to keep on believin'

There's no question, that's a lesson, that I learned from  
you

I learned from you
