I think perfections nice
But I'm human so I will improvise
So what it's not the bull's eye
Cause I sharpen my arrow with every try
And no I not afraid of rock bottom I forward in my mail
there often
You pick up every thing letters and the left over pieces
of me
Special delivery always in time you fit perfectly
I love the way I can't stop smiling you are all I need

Yeah yeah yeah yeah yeah yeah
You are the best part of me
Checkmark how to define sweet

You help erase the times when I wishing can I push
rewind
When I look in your eyes I believe there is more to life
Then settling for ordinary and I don't wanna stop

Yeah yeah yeah yeah yeah yeah
You are the best part of me
Checkmark how to define
Sweet sweet sweet sweet
And I don't wanna throw it away

Yeah yeah yeah yeah yeah yeah
You are the part of me
Yeah yeah yeah yeah yeah yeah
You are the best part of me
Checkmark how to define
