One, two three

La-la-la-la-la-la la

It's hard to believe that I couldn't see
You were always there beside me
Thought I was alone with no one to hold
But you were always right beside me

This feelings like no other
I want you to know

I've never had someone that knows me like you do
The way you do
I've never had someone as good for me as you
no one like you
So lonely before I finally found
What I've been looking for

do do do do do whoaa oooh

So good to be seen
So good to be heard
Don't have to say a word
For so long I was lost
So good to be found
I'm loving having you around

This feeling's like no other
I want you to know

I've never had someone that knows me like you do
The way you do
I've never had someone as good for me as you
No one like you
(repeat)

So lonely before, I finally found
What I've been looking for

do do do do do do do
Whoaaaa

Do do do do do do
