ooh oh nah nah nah
ooh oh nah nah nah

dj i hope you answer this request
gotta get this off my chest tonight
see mr. dj, this girl has really got me stressed
and i know just what can make it right
play me that oh usher, alicia, keyshia or some monica
mary, r kelly, aaliyah or some (?)
i need some healing
please tell me you hear me
i'm calling on the hotline

play me a slow jam
i'm crying out for help
it's crucial to my health
won't you play me a slow jam
that's just all i need
if you play one for me
i'ma go and turn it up
cos one just ain't enough
you should let it fall, fall
dj don't you front, front
play me a slow jam
play it tonight
and just let it ride with me

oh dj, i've been at it all night
trying to cope with this feeling inside
so mr. dj i hope you have a heart
cos i'm two seconds from falling apart
