You're my life
You command
What's your wish
Demand
I know you can
Read my mind
Oh my

People talk
Let 'em talk
I don't care
What they want
Got your hands
Holding mine
All night

Take me
Will you let me
Bring you closer
To my heart
Oh yeah

Tokyo
I found my love
Tokyo
My silent soul
Tokyo
You're only mine
My Tokyo love,
My Tokyo love

Ticking clock
Make it stop
We need more time for love
World is here
In your arms
Oh my

Take me
Will you let me
Bring you closer

To my heart
Oh yeah

Tokyo
I found my love
Tokyo
My silent soul
Tokyo
You're only mine
My Tokyo love,
My Tokyo love

Tokyo
I found my love
Tokyo
My silent soul
Tokyo
You're only mine
My Tokyo love,
My Tokyo love

Tokyo
I found my love
Tokyo
My silent soul
Tokyo
You're only mine
My Tokyo, my Tokyo, my Tokyo love
My Tokyo, my Tokyo, my Tokyo love, love
