Take me in your arms,
Never do me no wrong,
Feel the color of spring,
Its a magical thing,
Touch me,
Help me understand,
Feel me,
Ill be you man,
Ill be your man.

Call your mama here,
Tell the preacher too,
We got nothing to fear,
We got nothing to lose.

Touch me,
Take me by the hand,
Feel me,
Ill be your man,
Ill be your man,
Ill be your man,
Ill be your man.

Shine a light on me, (ooh, ooh)
Set my soul on fire, (oooh, ooh, ooh)
Let me be your man, (ooh, ooh, ooh)
Your one desire. (ooh ooh ooh)

Guided by your light,
Lord this fever burns,
My heart is torn and frayed,
I got a lot to learn, yeah.

Touch me,
Help me understand,
Feel me,
Ill be your man,
Be your man,
Ill be your man,
Let me be your man,
Be your man, yeah.

Let me be your man. x7
