'So! You take let us assume a third toke; long and slow.
You vaporise and you take it in and in and in... and
there is a sound like the crumpling of a plastic bread
wrapper or the crackling of flame and a tone. A
mmmmmmmmmmmmmmmmmmmm
and there is this.....

There is a cheer. The gnomes have learned a new way
to say hooray.

The walls, such they be, are crawling with geometric
hallucinations.

Very brightly coloured, very irridescent. Deep sheens
and very highly reflective surfaces
everything is machine-like and polished and throbbing
with energy but that is not what immediately arrests my
attention. What arrests my attention is the fact that this
space is inhabited.

And so like jewelled self dribbling basketballs these
things come running forward and what they are doing
with this visible language that they create is they are
making gifts! They are making gifts for you and they
will say ...'
