I saw you (and her) walking in the rain
You were holding hands and I'll
Never be the same

Where should I begin? Let's see
You said you needed space
To clear up all the pain
Then you really opened up to me
How can you explain all this?
Just unreal

Cause I saw you (and her) walking in the rain
You were holding hands and I'll
Never be the same
Oh no I'll never be the same
Oh no, never be the same
Oh no, I'll never be the same
Oh no, I'll never be the same
Oh no, oh no ohhhh ohhh yeah

The truth is always best you see
I walk away in dignity
While you swim in again

All that keeps bumping in my head
Awesome words you said to me in bed
But the love you gave
Is the love I forget

Cause I saw you (and her) walking in the rain
You were holding hands and I'll
Never be the same
Oh no I'll never be the same
Oh no, never be the same
Oh no, I'll never be the same
Never be the same oh no
Never be the same
Never be the same
Never be the same oh no
Whoa whoa whoa whoa whoa whoa
I'll never be the same

I'll never be the same
I'll never be the same

Never be the same
Never be the same
Never be the same
Never be the same
Never be the same
Never be the same
Never be the same
Never be the same

Cause I saw you (and her) walking in the rain
You were holding hands and I'll
Never be the same
Oh no I'll never be the same
Oh no, never be the same
Oh no, I'll never be the same
Oh no, I'll never be the same
Oh no, oh no ohhhh ohhh ohh yeah
ohhhh ohhh ohh yeah
