"Sometimes"

Sometimes I think that I
Don't like to compromise
Sometimes I feel that you
Can be that way too

But I don't wanna give up
The situation is clear
No I don't wanna give up
There's just too much love in here

Sometimes I walk away
Not knowing what to say
You get an attitude
Two different points of view

Just tell me how you
Just tell me how you love me
Just tell that you
Tell me that you adore me

Just tell me how you
Just tell me how you love me
Just tell that you
Tell me that you adore me

'Cause I don't want you to give up
The situation is clear
No I don't want you givin' up
A resolution is near

Oh oh...

Sometimes I question you
If what you say is true
You know it's just because
Of things I've been through

But I don't want us to give up
the situation is clear
No I don't want us giving up
There's just too much love in here

Oh oh...

Just tell me how you
Just tell me how you love me
Just tell me that you
Tell me that you adore me

Just tell me how you
Just tell me how you love me
Just tell me that you
Tell me that you adore me

Like I do
