Grant Lawrence, he kicks ass in the forest  
Grant Lawrence, he kicks ass in the forest

Grant is the motherfucking man from the Smugglers  
band  
He's on Radio CBC all across the land  
He bitch-slapped Captain Vancouver in the face  
And rowed a boat to Desolation Sound  
He's a motherfucking outdoorsman freak  
Yeah, the best around

Grant Lawrence, he kicks ass in the forest  
Grant Lawrence, he kicks some fucking ass

He's a tough son of a bitch  
He can slap an octopus between the tits, oh yeah!  
He can beat a fucking cougar up with only one hand  
And stop a hundred pucks  
Because he's the fucking kind of guy  
That you could high five forever

Danko Jones sucks (He sucks, vote Lawrence)  
Joey Shithead (No, Grant Lawrence, yes)  
Avril Lavigne (No fucking way, Lawrence, yes)  
Alex Trebek (No thanks, Grant Lawrence, yes)  
It's hard to sing (Two more votes for Lawrence)  
This fucking high (We have a new Prime Minister)

Grant Lawrence, king of the forest  
Grant Lawrence, king of the forest  
He's the fucking man  
Tonight
