Who wants to get drunk and smash bumper cars  
I do, I do  
Who's got a Sony demo that's ready for the Charts  
I do, I do  
Who calls his mom's vag on the fourth day of March  
I do, I do  
Who has dirty dreams about Rosanne Barr  
Well, I guess that's me  
That's me that's me

Hey Crush, what's up  
Can you text me and tell me if I'm normal  
Hey man good luck  
I heard Dateless is looking for a bassist  
I think it sucks  
I don't understand why things are so important

Let's go get drunk  
And pull stop signs into Baltimore apartments  
Because I'm just a recluse  
Get someone on the goddamn phone  
I'm a recluse...

Who wants to take a dump when the toilet seats down  
I do, I do  
Who's favorite colours are yellow and brown  
I do, I do  
Who wants a motor scouter and a Blue Moon beer  
I do, I do  
Who's out of tune on Call It A Career  
Well, I guess that's me  
Or Jeremy
