When you need a motherfucker
That can bark real loud
I know a guy that's good
He's pretty fucking rad at
Licking your nose clean

He always ends up shitting
All over my flyers rug
But I still gotta give him a hug
And a french kiss too

He's a puckward nipples the 3rd
That's my buddy
He's a puckward nipples the 3rd
That's my pal

He's a puckward nipples the 3rd
Barking at the neighbors
He's a puckward nipples the 3rd
Take it j

[Solo]

He always ends up shitting
All over my flyers rug
He's a puckward nipples the 3rd
He's a puckward nipples the 3rd
He's a puckward nipples the 3rd
He's a puckward nipples the 3rd
I'm glad I bought him at the store
