In the middle of the night
When the sky is black
And you're tucked in
In your comfy comforter
You hear thunder in the distance
From the gallop of the beast
It draws closer to your bedroom
So you might as well shit the sheets

You better hope you can run real fast
Before I catch you
I'll fucking kill you

I'm the unicorn rider
Cold heart of the beast
Unicorn rider
Go ahead and fuck with me
Go ahead and fuck with me

Rainbow
Hard hug
True love
Motherfucker
Go

[Solo]

You better hope you can run real fast
Before I catch you
I'll fucking kill you
One two
One two three

Unicorn rider
Cold heart of the beast
Unicorn rider
Go ahead and fuck with the
Unicorn rider
Cold heart of the beast
Unicorn rider
Go ahead and fuck with me

Go ahead and fuck with me
Go ahead and fuck with me
Go ahead and fuck with me
Go ahead and fuck with me

(Rainbow)
