Psychic spies from China Try to steal your mind's
elation
Little girl from Sweden
Dream of silver screen quotations
And if you want these kind of dreams
It's Californication
It's the edge of the world
And all of western civilization
The sun may rise in the East
At least it settles in the final location
It's understood that Hollywood
sells Californication
Pay your surgeon very well
To break the spell of aging
Celebrity skin is this your chin
Or is that war your waging
Chorus:
First born unicorn
Hard core soft porn
Dream of Californication
Dream of Californication
Marry my girl be my fairy to the world Be my very own
constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard
It's Californication
Space may be the final frontier
But it's made in a Hollywood basement
Cobain can you hear the spheres
Singing songs off station to station
And Alderon's not far away
It's Californication
Born and raised by those who praise
Control of population everybody's been there and
I don't mean on Vacation
Chorus
Destruction leads to a very rough road
But it's also creation
And earthquakes are to a girl's guitar
They're just another good vibration
And tidal waves couldn't save the world

From Californication
Pay your surgeon yery well
To break the spell of aging
Sicker than the rest
There is no test
But this is what you're craving
Chorus
