(Chorus)

Why don't we do something?
It's not like we ever do nothing
Got a little bit better, and not feel like a fool
Ain't never gonna need to see the Winter when there's
Summer with you!

Why don't we sit pretty?

There's too much to do in the city
Gonna send you a letter, from the other side of the
room
Ain't never gonna need to see the Winter when there's
Summer with you!

Sit back from the day...

It tells me what I need to hear
By the way, with the blacked-up box it seems so clear

(Chorus)

Why don't we do something?
It's not like we ever do nothing
Got a little bit better, and not feel like a fool
Ain't never gonna need to see the Winter when there's
Summer with you!

You're the reason why I can't stand to be alone
You're the reason why we can't get down when I'm ever
below it

(Chorus)

Why don't we do something?
It's not like we ever do nothing
Got a little bit better, and not feel like a fool
Ain't never gonna need to see the Winter when there's
Summer with you!

Sit back from the day...

It tells me what I need to hear
By the way, with the blacked-up box it seems so clear

(Chorus)

Why don't we do something?
It's not like we ever do nothing
Got a little bit better, and not feel like a fool
Ain't never gonna need to see the Winter when there's
Summer with you!

Why don't we sit pretty?
There's too much to do in the city
Gonna send you a letter, from the other side of the
room
Ain't never gonna need to see the Winter when there's
Summer with you!
Ain't never gonna need to see the Winter when there's
Summer with you!
Ain't never gonna need to see the Winter when there's
Summer with you!
