Now in this world of music, there are many different
tones (Tell 'em)

If there's no satisfaction, just pay for some action
(Listen up)

On your radio, you hear perfect beats playing (Hey)

If it makes you satisfied, just get a pony and ride!
(Giddy up!)

Well if you're looking for the perfect beat, people

Well here's a perfect beat for ya

So ??? with a chorus you can sing, round up!

Looking for the perfect beat (Searching for the perfect
beat)

Looking for the perfect beat (Seeking for the perfect
beat)

I must get mine (I'm out to get it)

I must get mine (I'm out to get it)

You like to body rock the parties?

We like to instant pop the parties

Must exercise the quotes of Shakespeare, with this life
upon a stage
When we say life you know that's right, has a meaning
Our music does complete it
And all the things that we wanna keep teasing, teasing,
teasing

Looking for the perfect beat, people
Well here's a perfect beat for ya

Looking for the perfect beat (Repeat 4x)

Looking for the perfect beat party, the one with the top
sure shot mix
Stop a futuristi
