Stay with me, my love  
I hope you'll always be  
Right here by my side  
If ever I need you

Oh my love, in your arms  
I feel so safe and so secure  
Everyday is such a perfect day to spend  
Alone with you

I will follow you, will you follow me?  
Everyday and night that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year

With the dark  
I see so very clearly now  
All my fears are drifting  
By me so slowly now fading away

If I can say the night is long  
But you are near  
Close I am though I'm better  
For the smile you give and while I live

I will follow you, will you follow me?  
Everyday and night that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year

And I will follow you, will you follow me?  
Everyday and night that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year

I will follow you, will you follow me?  
Everyday and night that we know will be  
I will stay with you, will you stay with me?  
Just one single tear in each passing year

I will follow you, will you follow me?  
Everyday and night that we know will be

I will stay with you, will you stay with me?  
Just one single tear in each passing year
