In the ocean I awoke on,  
The edge and I fell in with my clothes on,  
Under water, for too long,  
You were so scared,  
And I was writing this song.  
I was writing this song

I guess I'll see you around,  
I'll be at the bottom of the ocean.  
I look up as I'm sinking down,  
I will wave goodbye in slow motion.

All the headaches I was causin',  
For a minute it felt like I had lost it,  
It's not over, I just paused it,  
You were so scared, and baby, I'm exhausted.  
And baby, I'm exhausted

I guess I'll see you around,  
I'll be at the bottom of the ocean.  
I look up as I'm sinking down,  
I will wave goodbye in slow motion.

I guess I'll see you around,  
I'll be at the bottom of the ocean.  
I look up as I'm sinking down,  
I will wave goodbye in slow motion.

I'll be down at the bottom of the sea tonight,  
Underwater,  
Wish she was with me, so she could feel what it's like,  
But I forgot her.

I guess I'll see you around,  
I'll be at the bottom of the ocean

I guess I'll see you around,  
I'll be at the bottom of the ocean.  
I look up as I'm sinking down,  
I will wave goodbye in slow motion.

I guess I'll see you around,  
I'll be at the bottom of the ocean.  
I look up as I'm sinking down,  
I will wave goodbye in slow motion.  
In slow motion.
