And I dance alone
Tonight I made a mess of my life
I should stop right now and take my own advice

So I go down down
Down to the bottom
I go down down
Go down to the bottom
I go down down
Go all the way to the bottom

We let go
Just let go
And dance more
And dance more
On the dance floor
Just let go
Yeah let go

Just get low
And dance more
And dance more
On the dance floor
Just get low
Yeah get low

And I drank too much
But I'm out of touch
I haven't drank enough
I should stop right now
Before I say too much

So I go down down
Down to the bottom
I go down down
Down to the bottom
I go down down
Go all the way to the bottom

And I go all the way to the bottom
Go all the way to the bottom
And all the way to the bottom

Baby me

Just let go
And dance more
And dance more
On the dance floor
Just let go
Yeah let go

Just get low
And dance more
And dance more
On the dance floor
Just get low
Yeah get low

So I go down down
Down to the bottom
I go down down
I go all the way to the bottom
Down down
Down to the bottom I go
Oh yeah

And I go
