I'll take you to the movies
Oh, you look so lovely
I'll take you to my bedroom
Where you can prove to me
That you really love me

A funny feeling
That you're gonna leave
I'll give you our new CD
One more look at me to ease
The suffering

This is gonna be a heartbreaker (this is gonna be)
Caught me dancing (caught me)
In your make-up (in your make-up)
Wait, wait; tell me
Before you leave
Do you think this dress (do you think this dress)
Looks good on me (looks good on me)

See if I care
See if I ever did
You say I'm such a loser
You say I'm such a dick

Did I ever tell you?
That you look so hot
In that mini skirt
But on me it looks
So much prettier (it looks so much prettier)

This is gonna be a heartbreaker (this is gonna be)
Caught me dancing (caught me)
In your make-up (in your make-up)
Wait, wait; tell me (wait, wait; tell me)
Before you leave
Do you think this dress (do you think this dress)
Looks good on me (looks good on me)

This dress
Looks so good
X7

This is gonna be a heartbreaker (this is gonna be)
Caught me dancing (caught me)
In your make-up (in your make-up)
Wait, wait; tell me (wait, wait; tell me)
Before you leave

Looks good on me (looks good on me)

Do you think this dress looks good on me? x8
(On me, on me)
