I am in-  
Side your head  
Now I'm inside your mouth  
I will use you  
I am in-  
Side your head  
You try to get me out  
But I consume you

Have a drink  
It will help  
If it's too loud to think  
I know you want to  
Look at me  
It will help if you can move your feet  
But I'll consume you  
I'll consume you  
I'll consume you  
I'll consume you

I locked all the doors so  
Now you're breaking in  
Well you think I'm taking it  
I'm not taking it  
You're just faking it

I am in-  
Side your head  
Now I'm inside your mouth  
I will use you  
I am in-  
Side your head  
You try to spit me out  
But I consume you  
Yeah, I consume you  
Yeah, I consume you  
I consume you

I locked all the doors so  
Now you're breaking in  
Well you think I'm taking it  
I'm not taking it

You're just faking it  
-x2-

You can't come in  
You gotta go home  
You can't come in  
Now leave me alone  
-x2-

I locked all the doors so  
Now you're breaking in  
Well you think I'm taking it  
I'm not taking it  
You're just faking it

I locked all the doors so  
Now you're breaking in  
I'm not taking it  
I'm just faking it
