Hey pretty girl, it's midnight
and you have only had one
so you don't need to hide, oh

I need to know, what you feel like
but I have only begun
and I am taking my time, my time, my time

Just give me a shot tonight
I'm not gonna let you down
I'm drunk and I'm
not trying to mess around

Hey baby girl, I don't mess around
Hey hey, I won't let you down
Hey hey, I won't let you down

Hey city girl, we can make plans
of which will never unfold
so I'd rather just dance, oh

Hey pretty girl, I'll be your man
cause you are so beautiful
Would you give me a chance?
Would you give me a chance?

And give me a shot tonight
I'm not gonna let you down
I'm drunk and I'm
not trying to mess around

Hey baby girl, I don't mess around
Hey hey, I won't let you down
Hey hey, I won't let you down

Girl, I'm stumbling
Don't let me fall, unless you're underneath
Girl, I'd rather sing
Don't let me talk, I'll ruin everything

Just give me a shot tonight

I'm not gonna let you down
I'm drunk and I'm
not trying to mess around

Hey baby girl, I don't mess around
Hey hey, I won't let you down
Hey hey, I won't let you down

Woah oh oh oh oh
Woah oh oh oh oh
Woah oh oh oh oh
