You're all I have tonight
It's taken all my life
To find you
And to hold you

Let's break out a bottle
Like it was the first time
In this room
Oh but I knew

L-L-A
L-L-L-A
L-L-A
L-L-L-A
Hollywood, Hollywood
Hollywood, Hollywood
(Let's break out a bottle)
L-L-A
L-L-L-A
L-L-A
L-L-L-A
Hollywood, Hollywood
Hollywood, Hollywood
(Let's break out a bottle)

You're all I have tonight
It's the perfect time to get you
In the right mood
Forget your boring life
and I'll forget mine
In this room
Oh, but I knew

L-L-A
L-L-L-A
L-L-A
L-L-L-A
Hollywood, Hollywood
Hollywood, Hollywood
(You're all I have tonight)
L-L-A

L-L-L-A
L-L-A
L-L-L-A
Hollywood, Hollywood
Hollywood, Hollywood
(You're all I have tonight)

I just want you to notice
and call my phone when you get this
Don't act like you don't know
Baby girl won't you call my phone

I just want you to notice
You are the reason I wrote
So when you hear me on the radio
Baby girl won't you call my phone

L-L-A
L-L-L-A
L-L-A
L-L-L-A
Hollywood, Hollywood
Hollywood, Hollywood
(Baby girl won't you call my phone)
L-L-A
L-L-L-A
L-L-A
L-L-L-A
Hollywood, Hollywood
Hollywood, Hollywood
(You're all I have tonight)
