She wears your clothes when she falls asleep
But undressed when she's next to me
I am completely awake but half-dreaming
Is this really happening?
I'm standing on edge, I'm standing on edge, I'm
standing on edge
Yeah, is this really happening?
I'm standing on edge, I'm standing on edge, I'm
standing on edge, I'm standing on edge, I'm standing
on edge

Girl, you look so good
Bet you always do
You never thought that I would
Get-get into you
Listen on the ride home
Oh, I'll let you know
Listening to my song on the radio

Girl, you look so good
Bet you always do
You never thought that I would
Get-get into you
Listen on the ride home
Oh, I'll let you know
Listening to my song on the radio

She makes the 80's seem so fucking cool
Like, you can't wear that, 'cause she worse it last night
She looks so hot, have I told her enough?
She drank too much, she-she's not in love.
I'm standing on edge, I'm standing on edge, I'm
standing on edge
She drank too much, and she's not in love.
I'm standing on edge, I'm standing on edge, I'm
standing on edge, I'm standing on edge, I'm standing
on edge
She looks so hot, have I told her enough?
Have I told her enough?

Girl, you look so good
Bet you always do

You never thought that I would
Get-get into you
Listen on the ride home
Oh, I'll let you know
Listening to my song on the radio

Girl, you look so good
Bet you always do
You never thought that I would
Get-get into you
Listen on the ride home
Oh, I'll let you know
Listening to my song on the radio

Go dancing for the weekend
She can't dance, she likes to pretend
Go dancing for the weekend
She can't dance, she likes to pretend
Go dancing for the weekend
She can't dance, she likes to pretend
Go dancing for the weekend
She can't dance, she likes to pretend

Girl, you look so good
Bet you always do
You never thought that I would
Get into you

Girl, you look so good
Bet you always do
You never thought that I would
Get-get into you
Listen on the ride home
Oh, I'll let you know
Listening to my song on the radio

Girl, you look so good
Bet you always do
You never thought that I would
Get-get into you
Listen on the ride home
Oh, I'll let you know
Listening to my song on the radio

Girl, you look so good
Never thought I would
Listen all night long
A song on the radio

I'm standing on edge, I'm standing on edge, I'm
standing on edge, I'm standing on edge, I'm standing

on edge, I'm standing on edge, I'm standing on edge,
I'm standing on edge

Girl, you look so good
Never thought I would
Listen all night long
A song on the radio

I'm standing on edge, I'm standing on edge, I'm
standing on edge, I'm standing on edge, I'm standing
on edge, I'm standing on edge, I'm standing on edge,
I'm standing on edge
