You know I'm living in a cemetery  
I got stuck in 1999,  
It's when they caught me and burried me alive  
And I just can't get me out of this night.  
We're the walking dead tonight,  
You know we're gonna party like it's 1999.  
We're zombies looking for fight,  
You know were fighting like it's 1999.  
You know I'm living in a cemetery,  
I got stuck in 1999.  
It's new years eve every single night,  
And I just can't get you out of my mind.  
We're the walking dead tonight,  
You know we're gonna party like it's 1999.  
We're zombies looking for fight,  
You know were fighting like it's 1999.
