I have a smile on a perfect face, That's how I want you
in the first place.

And I have such a beautiful taste.

I'm like a kiss, on a first date, I am the guy that you just
can't shake.

And all the girls that I have played.

You better love me baby, cos you know me, I'm crazy.

Girl you better never leave me, cos I'll find you, In your
sleep.

Girl you better never ever go.

Cos' you'll wake up one day, next to me, not breathing.

I have a smile on a perfect face, that's how I fucked you
in the first place.

And I have ...such..a...beautiful..taste.

I'll let you love me.

I'll let you touch me.

OH girl hug me.

Till your heads to my cheek.

You better love me baby, cos you know me, I'm crazy.

Girl you better never leave me, cos I'll find you, In your
sleep.

Girl you better never ever go.

Cos' you'll wake up one day, next to me, not breathing.

Girl I'll tie you up so tight, You won't be able to breathe.

I'll tie you up so tight, If you ever leave me.

Girl I'll tie you up so tight, You won't be able to breathe.

Girl I'll tie you up tonight, you better fucking beg!

I'll tie you up so tight,

So you won't be able to breathe.

And I'll tie you up so tight,

And if you ever ring me.

You better love me baby, cos I'm not me, I'm Crazy

Girl better never leave me, cos I'll find you, in your
sleep.

Girl you better (?), Cos I'll tie you up so tight.

You'll wake up one day, next to me, not breathing.
