Creeping up the backstairs  
Slinking into dark stalls  
Shapeless and slumped in bathchairs  
Furtive eyes peep out of holes  
She has many guises  
She'll do what you want her to  
Playing dead and sweet submission  
Cracks the whip deadpan on cue  
Peek-a-boo Peek-a-boo  
Peek-a-boo Peek-a-boo

Reeking like a pigsty  
Peeling back and gagging free  
Flaccid ego in your hand  
Chokes on dry tears, can you understand?  
She's jeering at the shadows  
Sneering behind a smile  
Lunge and thrust to pout and pucker  
Into the face of the beguiled

Peek-a-boo Peek-a-boo  
Golly jeepers  
Where'd you get those peepers?  
Peepshow, creepshow  
Where did you get those eyes?

Strobe lights pump and flicker  
Dry lips crack out for more  
'Come bite on this rag doll, baby!  
That's right, now hit the floor'  
They're sneaking out the back door  
She gets up from all fours  
Rhinestone fools and silver dollars  
Curdle into bitter tears

Peek-a-boo Peek-a-boo  
Golly jeepers  
Where'd you get those peepers?  
Peepshow, creepshow  
Where did you get those eyes?
