pretty girl with a broken heart your mother never
warned you
every boy swears you're a work of art every lover
scorned you
where did it all go where does innocence lie
behind your cold and lifeless eyes
and oh what can i do
darlin you're so cruel
candy cane you're a cocktail crane so grim and
gorgeous
yeah you left your little morbid mark on every verse
and chorus
just leave it all behind and cut the final tie
behind your cold and lifeless eyes
and oh what can i do
darlin you're so cruel
i gave you all i had and every word i said was true
the blood is on your hands now darlin you're so cruel
