ADRENOCHROME

(there are different lyrics to this song, these are taken from the live version with the clearest lyrics that i have and the Floorshow ep)

We'll turn away in a passive decision

We'll take the steps through the unmarked door

A look back for another collision

But the boys of the spires

Are boys no more

Not, not black and red boys

Frightened by the night

And by the Catholic monochrome

The Catholic girls now

Stark in their dark and whites

Dread in monochrome

the Sisters of Mercy

High tide

Wide eyed

Sped on adrenochrome

For the Sisters of Mercy

Filled with

Panic in their eyes

Rise

Dead on adrenochrome

We had the power

We had the space

We had a sense of time and place

We knew the words

We knew the score

We knew what we were fighting for

For the freedom

The time to choose

But time to think

Is time to lose

The signals clash

And disappear

The shade too loud

And the sound unclear

For the

High tide

Wide eyed
Dread in monochrome
Denied in spite
Disliked in monochrome
Panic in their eyes
Rise
Dead and monochrome
the Sisters of Mercy
Spite
On adrenochrome

The way is clear
Though the road is closed
The damage done
And the course
Imposed you
repeat 1 & 2
