Flesh)  
(Bone)  
(Splinters on the telephone)  
(Whispers)  
Bullet in the head  
Down  
Head  
Down  
Got power to burn  
Got means  
Got flowers to burn  
Between those pretty dreams  
Hold out for cover  
Hold out your hands to me  
For...

Blood, blood money  
Blood, blood money, money, money, money

(Kiss...)  
Children.....kiss the ring  
Children.....kiss the blade

Blood, blood money  
Blood, blood money, money, money, money

Which hand holds your hand?  
holds?

Blood, blood money  
Blood, blood money, money, money, money
