"I Was Wrong" - Vision Thing - Sisters Of Mercy

you say stay and never leave  
you say meant for ever  
I could believe you, but I don't  
you say we're almost all alone together  
all alone  
you say  
you say you will  
I know you won't  
I was wrong  
I was wrong to ever doubt  
I can get along without  
I can love my fellow man  
but I'm damned if I'll love yours  
in a bar that's always closing  
in a world where people shout  
I don't wanna talk this over  
I don't wanna talk it out  
I was quite impressed until I hit the floor  
isn't that what friends are for?  
pain looks great on other people  
that's what they're for  
I was wrong  
I was wrong to ever doubt  
I can get along without  
I can love my fellow man  
but I'm damned if I'll love yours  
you say stay and never leave  
you say meant for ever  
I could believe you but I don't  
you say we're almost all alone together  
you say  
you say you will  
I know you won't  
I was wrong  
I was wrong to ever doubt  
I can get along without  
I can love my fellow man  
but I'm damned if I'll love yours  
in a bar that's always closing  
in a world where people shout

I don't wanna talk this over  
I don't wanna talk it out  
I was quite impressed until I hit the floor  
isn't that what friends are for?  
pain looks great on other men  
that's what they're for  
I was wrong  
I was wrong to ever doubt  
I can get along without  
I can love my fellow man  
but I'm damned if I'll love yours
