Went down to Santa Fe  
Where Renoir paints the walls  
Described you clearly  
But the sky began to fall

Am I ever gonna see your face again  
Am I ever gonna see your face again

Trams, cars and taxis  
Little waxworks on the move  
Carry young girls past me  
But none of them are you

Am I ever gonna see your face again  
Am I ever gonna see your face again

Without you near me  
I got no place to go  
Wait at the bar  
Maybe you might show

Am I ever gonna see your face again  
Am I ever gonna see your face again

I've got to stop these tears  
That's falling from my eye  
Go walk out in the rain  
So no one sees me cry

Am I ever gonna see your face again  
Am I ever gonna see your face again

Am I ever gonna see your face again  
Am I ever gonna see your face again

Can't stop the memory  
That goes climbing through my brain  
I get no answers  
So the questions still remains

Am I ever gonna see your face again

Am I ever gonna see your face again
