*it's an sarcastic egyptian saying that means "will she live forever?"

that's it i sold out ,i sold out the night all of it and now i don't give a damn about her

she a girl you can't get mad of or for

not just for now but i feel pity for her ,she hasn't done me any good

and i would leave her from the start if i'm willing to leave her and i would never close my eyes from

her eyes before

that's it i sold out ,i sold out the night all of it and now i don't give a damn about her

she a girl you can't get mad of or for
