Cherish it only to destroy it  
You burned it to the ground  
ALL IS LOST, ALL IS GONE

You spoke of friends but sang solely for yourself  
You cashed us in with all our checks  
And now there's nothing left

We won't forget you cried out loud  
Or slammed the door on your way out  
You know you never wanted to be friends

And all this time you ran the show  
Who's gonna miss you in the end?  
Who's gonna miss you when you're gone?  
Your anchor sank this sailing ship  
Who's gonna pull you from the wreck?  
Who's gonna miss you when you're gone? (WHEN  
YOU'RE GONE)

Take it away again  
It was your flawed master plan  
FACE YOURSELF, BREAK OR BEND

A faceless thief dressed up in uniform  
It would be easier to give up now  
While you're down

Tiptoe through your minefield!

And all this time you ran the show  
Who's gonna miss you in the end?  
Who's gonna miss you when you're gone?  
Your anchor sank this sailing ship  
Who's gonna drag you to the shore?  
Who's gonna miss you when you're gone? (WHEN  
YOU'RE GONE)

They say "old dogs never die!"  
And now we all see why!

I'm smiling in mourning  
You're longing for glory  
He who laughs last doesn't always win  
I don't know where to begin...

And all this time you ran the show  
Who's gonna miss you in the end?  
Your anchor sank this sailing ship  
Who's gonna pull you from the wreck?  
Who's gonna miss you when you're gone?
