I'm broken but I'll survive, bruised but I'm alive  
And though my dreams where crashed like broken  
glass and I  
I still feel the pain that hurts me  
Time will heal and make the hurt leave, yeah

All these tears I cried alone helped me grow, yeah  
All my pain and misery made a better me  
All my fears are finally gone, I'm moving on today  
Not livin' in yesterday, yesterday, yesterday

I came a long way, it's a new day, no dark clouds, no  
rain  
The sun is shining down on me, I feel the winds of  
change  
I stand here to tell my story  
And I don't care what they said before me, yeah

All these tears I cried alone helped me grow, yeah  
All my pain and misery made a better me  
All my fears are finally gone, I'm moving on today  
Not livin' in yesterday, yesterday, yesterday

Now they can try to to feed me lies  
But I won't agree 'cause I believe  
I'm meant to be all I I can be

Not livin' in yesterday  
Hey hey hey

All these tears I cried alone helped me grow, yeah  
All my pain and misery made a better me  
All my fears are finally gone, I'm moving on today  
Not livin' in yesterday, yesterday, yesterday
