Be ayam el bard, be ayam el sheti
We el raseef bohayra, we el sharea gharee'a
Teegi hak el bent, men bita el aateek
We yekola intareeni, we tontor aa el tareek
We yeroh we yensaha, we tedbel be el sheti.

Habbaytak bel sayif, habbaytak bel sheti
natartal bel sayif, natartal bel sheti
We aoyonak bel sayif, we aoyoni bel sheti
We maleana ya habibi, khalf el sayif we khalf el sheti.

Mara'et el ghariba, aatatini resala
Katabiha habibi, be el damea el hazeen
Fatahit el resala, horofan Dhayeen
We mara'et eyam, we gharabitina seneen
We Horof el resala, mahaha el sheti.

Habbaytak bel sayif, habbaytak bel sheti
natartal bel sayif, natartal bel sheti
We aoyonak bel sayif, we aoyoni bel sheti
We maleana ya habibi, khalf el sayif we khalf el sheti.
