[Method Man]

Yeah.. yeah.. huahh.. hahh..  
Murda murda murda, kill kill kill  
That's right.. (killer, killer)  
Murda murda murda, kill kill kill  
Flex.. flex.. flex.. flex..  
(I'm going to kill you!)

Verse One: Method Man

Slowly I turn, step by step  
Through the back window, I crept  
Silent as a mouse on the set  
While everybody in the house slept  
I disconnect the phones and the rest  
Find a butcher knife, cut the power lines to the lights  
Now a nigga wild for the night  
I come like the livin dead, straight from the dirt  
Back to avenge his own death on this earth  
Ever hear of Jason? Then you know my work  
Down to the basement, the dog get it first  
I can't help myself, my thoughts ain't my own  
The voices in my head just won't leave me alone  
Murda murda murda, kill kill kill  
Pissin on the car seats, flattenin the wheels  
So there's no escape from the fate that awaits  
No one to witness the horror takin place  
Yea! Now I'm on my way up the stairs  
To the bedroom of my prey unaware  
Heads will be hung from the chimney with care  
with hopes that the police soon will be here  
I'm a KILLER!

(Eye Witness News, channel 7

We are at the scene, of a, horrific crime ladies and gentlemen  
I can't describe it right now..)

Verse Two: Redman

Yo..  
Yo, fuck knockin, kick the door, evict the four

Yell out, "It's a stick-up, hit the floor!"  
You fish cake niggaz, stay lippin off  
Did your mama name you, or Mrs. Paul's?  
Battlin session, what's up with it?  
I talk like I walk with a fucked up pivot  
Niggaz scream out, "It's just us bitches!"  
"Don't shoot," out the phone booth  
I aim at your party, hit the wrong group  
"Happy birth..." oooh, ooh ooh ooh!  
Niggaz done snapped, runnin hunchback  
Duckin, brick walls get thumbtacked  
So run laps, 'fore I body you  
Bust out the sides, like karate shoes  
Doc, turned velcro when night falls  
Central Park joggers, wear bright clothes  
Tai-Bo five flows  
Lizard, Centipede, Snake - I'm a KILLER!

[Blue Raspberry]

Cereal, cereal killer (This is the sound of a cow)  
Cereal, cereal killer (Arf arf, aowwwwwwwww!)

[Redman]

Yo, yo  
I walk on backs like Mr. Bentley  
After P-P-P stripped you empty  
Gather round, for rapid sound  
Fourth of July was three months ago, should I pat him  
down?  
No one, would fold both thumbs  
and eight fingers, to square with Joe Young  
Tongue below one, spit dumb, moron  
for whiteboys to snowboard on  
"So What 'Cha What 'Cha What 'Cha Want?"  
Chew Spearmint gum, two double pump  
Two cannons, piece by piece  
Your School get Dazed like G Phi G  
Murda murda murda, kill kill kill  
Take nuts and screws out ferris wheels  
If you ain't Missy, payin no bills  
Body you in supermarket, no frills

Murda murda murda, kill kill kill (flex.. flex..)  
Murda murda murda, kill kill kill  
(murda murda murda, kill kill kill)
