I said I'm

I'm a great white on the mic, servin' fishscale
Livin' life like I co-star with Denzel
Hip-hop been my life since kids meals
Lee jeans, label blocks and big wheels

Ever since then I've been a fuckin' problem
Feelin' like Bruce Wayne and this is Gotham
Now I got them haters watchin'
Waitin' for my next hit like a nigga boxin'

On this mic, you can see I'm blessed
Some say I'm the One, like KRS
Shoutout to Clue, Flex and Doo Wop
R.I.P. Big L, Pun, Biggie and Tupac

Flow so sick somebody give me a flu shot
I'm well done, overcooked, too hot
A booth, ProTools and a MP
That's all I need to show you that I'm a emcee

So you can chase the fame 'cause simply
Difference is you a Beamer, I'm a Bentley
Now wonder where I'd be without Funk Doc
So this toast goes to Redman and hip-hop

Whattup Big Unc? Whattup nephew?
Whattup Jersey?
Check mic one, check mic two
Yeah, they heard me

How y'all feel? Drinks on me
Now who thirsty?
Cheers, this one's here for hip-hop
Hi-hi-hip-hop

This is my life, this is my life, baby
We gon' do it like this, nigga

Yo, watch out now I talk like a old man
But still got that, uh, like Jordan

Call in, anywhere I go it's cheers
'Cause they yell my name like Norman

Walk in, look cool
Flow like the ink pen, got Red Bull
Feel like I'm in school, back to the basics
Handcuffin' hip-hop, niggaz start rapin'

And I faced it, it's a new ballgame
It's like when Baby Boy met Ving Rhames
Now that's so appealin', the veteran
Still trappin', I'm back in the building

Yeah, I laugh when I'm yappin' at children
But it's hard when ya boy lackin' a million
I'm so brilliant 'cause I work the Eastside
And do the same damn thing on the Westside

For hip-hop I'ma die, you fuck with it?
I'm O-Dog, I ain't lettin' that shit ride
Whoever outside with a eardrum
Old people, young people, here it come

Whattup Big Unc? Whattup nephew?
Whattup Jersey?
Check mic one, check mic two
Yeah, they heard me

How y'all feel? Drinks on me
Now who thirsty?
Cheers, this one's here for hip-hop
Hi-hi-hip-hop

This is my life
(Yo, watch out now)
Hip-Hop
(Yes sir, yo neph', I got it, nigga)

Yo, ayyo neph', you can tell I love hip-hop
And me stoppin' any time? I think not
Whip, the opposite of a hard top
Summertime, my rhyme's in your droptop

Yeah, the LP is Reggie
I got the goods, baby, I'm Don Ready
Ready for any hip-hop freak
Even white chicks want black in 'em like Pernelli

Yeah, the rap game is star studded
It's like the NBA, you gotta love it

Whattup Big Unc? Watch nephew
Sell more records than Wyclef crew
Haters watch me ball like the ref do
And still can't get it right like a left shoe

I'm 'bout to bubble like a Lex Coupe
What's my motherfuckin' name? Like I'm Big Snoop
Ready Roc, hear the crowd scream
Now my name hold weight like a triple beam

Wu-Tang showed me
How to get the C.R.E.A.M.
I'm a microphone
I'm a microphone fiend

Whattup Big Unc? Whattup nephew?
Whattup Jersey?
Check mic one, check mic two
Yeah, they heard me

How y'all feel? Drinks on me
Now who thirsty?
Cheers, this one's here for hip-hop
Hi-hi-hip-hop

This is my life, this is my life
Hip-hop, until I die, until I die
'Cause this is my life, my life
Hip-hop until I die
Yeah, yeah, yeah
