Yo, back when chef mami used to sell plates, we used

freedom miles standing at hell's gate It's hot, and the
devil's my cell mate The game's addictive, I can't stop,
it's like I'm chasing that first high Like Betty Crocker
baking that first pie The beef we serving is stir fried,
swerving all through your urban Hurting, every gate
and corner, you working, I'm The bottom line, the
school of hard knocks turn into Columbine And my set
is throwing up dollar signs Some get gwop, some get

body shop Where you rummy, rolling your body drops
I'm trynna stand on my own two, get signed to a major
