[Hook]

Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea  
Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea

We go 1 blunt, 2 blunts, 3 blunts, 4  
I've been high since british walkers and quarter roys  
And bruce leeroy  
Before I got my first check  
Now that last tragin, you can smell it on my breath  
Got sativa, indeca, chromes all in the raw  
Mortal when I puff, puff, past and I finish her  
Ratty doing cheeks, beast from the east  
Slight club on the beast, ash burns on the seats, we off  
I'ma pass this bomb like mcdad, keep the whacks from  
high times  
And I'ma take a gag  
I take your wifey out for dinner  
Hit her in the bathroom for getter, then I leave her with  
the tale  
It ain't a ...of bud I ain't smoked yet  
And if I run out of buds nigga, road trip  
You know your boy funk'd out, get you high... throw  
your hands in the sky, let's go

[Hook]

Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea  
Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea

God off said nigga roll a weed up  
Off my clothes, I brush the ass like dandruff  
I bump the scalp I escape through the handcuffs  
Long walk, long gone, bring brag benson  
Kim dog kush strong long, that's a great puff  
3 boys bad off ciroc like a great props  
Raise your hands, get in line, just to face us  
Quick chip, all ride, on that short bus  
Been a long time fuck about the moments here

Yeah I've become a fool since the wiseman  
shakespeare  
What you smoking on, what you got there  
Van Gogh flow, yeah it's the left ear  
Do it all boy, go and put it to the sky  
Fuck you redman, I'm so high  
420 o high, blowing on the sour  
Little rocker bye bye inhaling on the lala

[Hook]

Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea  
Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea

I can't front, I smoke trees all day  
If I ain't got none, stay out of my way  
I get cranky, rude, I got snucked in the safe  
Score me in it and everything's ok  
How you show it to the spot then don't come with  
Blow trees and backwoods, nigga that's some dumb  
shit  
Now you know that I'm about that man  
Smoke eats smoke, that's the pot half plan  
I make music so I used it while I'm writing  
Smoking while I'm doing it, it makes it more exciting  
Stay rollin, stay lights in,  
But never stay ...shit that's frightening  
Any problem the solution's in the bag  
Nigga you's too tight, you need to take your ...  
Cause I'm the real, need to rising...

[Hook]

Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea  
Hands up if you wanna get high, yo  
Hands up if you wanna get high, yea.
