Explosion*
Woo woo wowowowoo!
Lord hi gher
Somebody turn on da lights
Could somebody turn on da lights
The darkside! Yessss...

coughing
Verse One: Redman

All aboard motherfuckers! While your brains get jacked
Guess who's back when I bring funk like Zapp
I'm souped like two scoops of funk juice word to mother
The darkside brings apartheid
The way I kick you swear that Jim Kelly was in this
motherfucker
I act wild like them niggaz from Chi-Town on the
Southside
when I backflip my tactic graphics
Sweeter than this, whoopin niggaz down like Jack Nich
Due to difficulties I won't be done by ten
Ooooooh! Redman jams it in
Friend I got bust shots out the twelve Benz
And then we get the bam-ba-zee from one-ten
So what the fuck, you got the mic turned up fo'?
Or is it further up? Plus my style murder ducks
When I Chief Rock underground MC's drop like sheet
rock
Here's a ride to the underground
Chorus: repeat 2X

To the beat y'all...
Ah to the beat y'all, I do the freak y'all
I keep the buddha to last me through the week y'all

Verse Two: Redman

Far beyond space so niggaz say your grace
Come take a trip on my cosmic movie boogie flicks
It's a True Lie that I bring drama like Schwarzenegger
When a baby, I had other babies in labor catchin vapors
With two gats I move like too fast like Paxton

Ask Toni Braxton who got seven days of action
Black stars or moons eclipse the volume
Bang zoom I'm sendin honies on the moon with ten
bags of boom
Ridiculously I will pimp an MC
To degrees I leave spots like chicken pox, check the
synopsis
Float like the butter, fly so what if I
I grow confusing just like Rubik's cube boxes
blow your lenses, tear the fuckin hinges
Did I mention that my lyrical format gets more ahs than
a dentist
Y'all gimmick motherfuckers better get y'all shit
together
When I'm in this, the knotty-headed era causes terror
Nynex can't even reach my technique or rap sheets
One for the money and two for my peeps
Then take y'all dreams and imaginations
For the Squad I lick two shots word to God
To the darkside
