Spendin all my time in life, every evenin
Tryna get inside of her, I've been needed
I can see the signs, o baby I can start believin

Bridge

Oh I'm ready to go,
I finally got what I've been lookin for in my baby

Chorus

She can rock to the city
Roll straight to the ghetto
Sippin on champagne
The shots and amaretto
Reebok to Reebok so drop them stilettos
That's my kinda girl
Oh when I run she's my number 1 lover
Life of the party or she roll under cover
Some people who there ain't no other
That's my kinda girl

Raghav

Well there ain't no frontin,
What you see is what you get
When the speakers bumpin, she's the first to get into it
Got her body flunkin now with any music
Yeah she's got me buzzin baby
Then you freakin to do it, it's true babe

Bridge

Oh I'm ready to go,
I finally found what I've been lookin for in my baby

Chorus

She can rock to the city
Roll straight to the ghetto
Sippin on champagne
The shots and amaretto
Reebok to Reebok so drop them stilettos
That's my kinda girl
Oh when I run she's my number 1 lover
Life of the party or she roll under cover

Some people who there ain't no other
That's my kinda girl

Raghav

All I know is that I can't let it go
Cause my baby, she's both sides of the coin
Oh she's my left and my right
She's the apple of my eye
She's my day, she's my night
Ooo she's what keeps me right

Redman

She rocks my world
A freak in the bed, that's my kinda girl

Chorus

She can rock to the city
Roll straight to the ghetto (The way she rocks)
Sippin on champagne (She don't stop)
The shots and amaretto
Reebok to Reebok so drop them stilettos
That's my kinda girl
Oh when I run she's my number 1 lover
(Cause she's my number one and there's no where to
run)
Life of the party or she roll under cover

She can rock to the city
Roll straight to the ghetto
Sippin on champagne
The shots and amaretto
Reebok to Reebok so drop them stilettos

Oh when I run she's my number 1 lover
Life of the party or she roll under cover
Some people who there ain't no other
That's my kinda girl
