One shot deal, one shot, one kill
Hit you with the one shot skill
Bullets lift you up like you poppin' on the wheel
Feel I can't die when I'm poppin' on the pill
So real that it feel, keep Cochran on my heels

Who rock the black and back out?
Now the MAC back out, just bout to blackout
Got the ROC on my back, SP on my chain
Shooters on the block slingin' P last name
Outta hot pink thangs like Camron Range

The cocaine cowboy at work
I put ya niggaz in the dirt for one like Dirt
Concealed hammer won't jam or won't chirp
Catch you on my second merk
Fresh outta jail, ice grill gat to smirk

Bitches on the waste can't serve 'em
ROC without Jay won't work?
Shit like we ain't here, actin' like SP ain't here
How ya'll niggaz can't see that clear? Clear?
Yeah, slow all the way down young scrapper

Pump ya brakes real fast, before ya crash
Crack ya head on the dash
I put ya body in a cast, keep my Shotty on blast
Hard heads don't get the picture until they see the
flash

You ain't ballin', you pump fakin' till you found in ya
trunk naked
Four pound to ya crown like, "Where the paper?"
B. Sig, cold crook, I trap paper like notebook
When the hot water disappear like when coke cook
Then resurface, its Sig. Berkowitz, bitch I'm sick

Leave that ass like Dama, Sig. heat that ass like sauna
Stretch ya body out like recliner
Stretch my middle finger to your honor
Like, "Fuck the world", that's my persona, love drama

Drop a buildin' like Osama, you vagina

I know you wish you never met me like Carl Thomas
Try to forget me like all silence
Fuckin' with a vet be, all problems
I'm not about the threats B, I'm all promise

Before "The Truth", position in the booth
As a young scrap, I was vicious as a youth
Kept a gat movin' pigeons in the Coupe
You was strapped, then positioned on the stoop
Stay strapped, put my pistol on shoot

Mac take ya "Juice" like Bishop on the roof
I had ya pissin' in ya trunk like a roof
Bullets hit ya chest like a blunt rolled loose
I'm that corn liquor nigga, 100 proof

I bring the storm, all you niggaz lace ya boots
Better yet, pull out ya strings, make a noose
Hang yaself, here's a deuce, deuce
Bang yaself like Cheddar Bob
I'm in the hood like ST tall cat
Crooked Letter ISPCO, nigga

Yes I
Yes I
Matta fact
Yeah, Yeah
Bring it back

Bring it back, me, Doc, America's blunted
Not from there, but I'm Philly Most Wanted
Drop and roll, when my biscuit boil
Talk is greasy, tongue with Crisco oil

Streets is mine, check my flow online
At
Bricks, two on the hip, reach for the sky
You and ya Burberry suit is buried alive
On top of the Empire, dare me to dive
Wee, there I go, no parachute

Jackass like Knoxville, hot as Cancun
Chest hair is baboon, Redman rip the show
I be the raw in ya bitches nose
She be goin' to the bathroom, sniffin' blow
Like, "Oh Docta shit, my man a joke"

I know, I be strapped with a double 4, 4
And a Slim Jim to open ya Cadillac door

In the Bricks you hear them guns
Rat a tat, boom
Any nigga get X'ed out like TicTacToe

Any bitch that know, Redman goin' the distance
We ain't tryin' to get fucked for instance
When you bust baby, gon light the insence
Pass me the rag, hop back in the Jag
I stole out the showroom with the pricetag
I wrote this rhyme off 25 blunt drags
Hear that sound leave a block hunchback

Killa House, understand prick
We ain't gon stop till we "Rich bitch"
Holla back, Redman, Beanie Sigel
Killa House
