[Icarus]

Yeah, now, now is you motherfuckers ready for this?

(c'mon)

Do you really think you ready for this? (c'mon)

Do you know that you ready for this, huh?

We gon' see if you ready for this

[Scarface]

I be the street sweeper nigga

Quick to leave your whole block shook and shot at

From fuckin round with the mi-dack

Eleven, twenty-four, act 47

Fuck who's standin around them get close up and down  
and

I done came here to get brains

Shoot you twice in your stomach

Then leave your boxin shorts full of shit stains

You're bitch-made, you ain't a gangsta you a sucker  
ass

These niggaz scared of your bark {*\*barkin\**} but bitch I  
touch ass

And bust back, what's that? It's Face-mob in effect

With Icarus, Reggie, Jamal and Treach

I told you that talkin wasn't shit to me

So bitch be more specific when you spit for me

"It ain't shit to me," you a hoe in fifth degree

A discharge from a dick disease

You lil' maggot, part time thug for a faggot

Plastic-ass chump, you don't want no static

[Chorus: Redman]

Real niggaz - louder

Real niggaz - louder, LOUDER

Real niggaz - yo

Real niggaz..

[Redman]

Yo, yo, yo

It's Funk Doc, I thought you knew

PPP in the back and they parkin to, jump

Thorough borough, Bricks, ashy elbow kid

I fuck chicks off Elmo flicks

My tape is off safety, tongue the gun  
Mouth to barrel, I spit, it numbs the front  
"SO WHAT 'CHA WHAT 'CHA WANNNT?" Yo, my Boys is  
Beastie  
We grew up untamed, unemployed and eatin  
You sharks in the water, avoid the deep end  
We only fuck chicks that enjoys the beatings  
Young Ike Turners, disco infern-ers  
Concentratio camp, nobody turn up  
I roll up a 'X' that came with kits  
Leave you with "Nightmares" Dana Dane was with  
(niiight-marrres)  
I can train yo' bitch, with a chain and whip  
It, blow the block down while I change the clip

[Icarus]

Yo, don't approach me wrong, little kids call me  
Smokey-mon  
Cause the blunts that I light set off smoke alarms  
{\*beep beep\*}  
And I stand on the corner 'til my coke is gone  
Niggaz wanna get they ice picks, poke the don  
But they know I got a gun big as Oprah's arm  
And I know a old lady that'll choke they moms  
A attitude, that's what I don't walk without  
Nigga I'ma time for it, you just talk about  
Ic' is the man, and I never been to Japan  
Got a Japanese bitch with my dick in her hand  
This is the plan, I'm about to get in the van  
Go and get rid of the man, I done did it again  
Skunk I blow, then off to the trunk I go  
Pull the pump out slow, dump out fo'  
I'm the nigga that the streets raised  
I'm the nigga that'll make 3-ways outta nigga PJ's  
The nigga, that'll smack the shit out the DJ  
If he don't give Icarus shit a replay  
Poker flush, y'all niggaz joke too much  
And my gun got cancer, it smoke too much, we

[Chorus]

[Jamal]

First of all you gotta have balls unlike some who act  
hard  
I was real ever since I shot out my pops black balls  
I'm real, I can sense danger and tap calls  
I'm real, I feel when haters wanna clap 'Mal  
I look a nigga eye to eye when I speak  
I'm transparent, I can see if you a killer or a freak  
Or a bitch that'll do anything to get rich  
Or a snitch that'll drop dime on the click

Or a fake, that'll rather see me at my wake  
Or a Jake tryin to infiltrate, give me a case  
I'm real like, BITCH, get the fuck out my face  
I'm real like let me stick my dick in ya mouth, give you a  
taste  
I'm a real nigga if I don't get no bigger  
I'm five-five, still knockin out tall niggaz  
We real niggaz plottin on dummies with tall figures  
Real niggaz hands on forty caliber triggers  
Bullets hummin, real like Redman's fifth comin..
