Yeah, one two, one two
Party people in the place to be

Yeah, ha ha
Let me clear my throat
Let me clear my throat
Gilla House niggaz, baby
We gon' get a lil' somethin' straight
Here in the place to be

Yo, you now rockin' wit da best, I'm blessed
I deliver well, that's why I'm up in the S
UPS, through rain sleet or snow
I never break down, my skin made of Goretex

Heard Reggie went left, 'cause when I do right
Punk niggaz out of spite only give me a few mics
Three best emcees, time for new light
Let the streets decide on how nice

You see to be an emcee is not money in the bank
Or blowin' niggaz off like, homey, we are late
A million dollar boss dictatin' what I think, shit
His shooter's gettin' real nervous in the paint

Five star when I rank, like Le Armitage
Girls lookin' like Nicki Minaj, Reggie
Hip-Hop, I rock steady, just check my clout
When Jersey in the building, I rock the house

Yo, you now rockin' wit da best, one of the best
Best believe, boy, I look so fresh
Just tellin' you how I feel
We gon' get a lil' somethin' straight
Here in the place to be

Hey, they asked me how I maintain
The rap game and the streets
I can picture in the same frame
You ain't raw? You don't ball
So lose yourself tryin' to keep up when I change lanes

My weed game green
Clientele is swell, it's Cool like LL
DeBarge look alike brother, time will reveal
That I'm doin' it and doin' it well

Even if you read braille you can feel my swag
I'm your seein' eye dog with the pen and the pad
Blue collar, when I talk, you can touch
So fuck how much money you can fit in the bag

My gift is the gab, the street's the truth
They got a lil' lost when down south came through
I stayed in the booth and began to trip
'Cause can't nobody rock like me, hah, remember this

Yo, you now rockin' wit da best, one of the best
Best believe, boy, I look so fresh
Just tellin' you how I feel
We gon' get a lil' somethin' straight
Here in the place to be

Yo, what you consider the best, what you invest
A half a mill' around your neck? Let me guess
Punchlines after punchline for a check
I did that, when GangStarr had to get a Rep

My city in debt, that's why I sound hongry
My flow dumb as fuck like Al Bun-dy
Ask Treach, I do it for my lonely
All y'all come and get it if you want me

Man, I'm a funny ass nigga
And haters gon' say, "He a funny ass nigga"
But I'm a asset, good barbershop talk
The game without me is Wu-Tang without RZA

Pour out a little liquor, how I murder it
Beef; my boys Fatburger it
Gilla, never heard of it? Shut your mouth
When Jersey in the building, I rock the house

Yo, you now rockin' wit da best, one of the best
Best believe, boy, I look so fresh
We gon' get a lil' somethin' straight
Here in the place to be
